

13th January 2011

****URGENT NOTICE TO ALL MEMBERS****

The National Officers of the Consortium have been asked to attend a meeting with the Company on the morning of the 18th January 2011.

The trade unions are very concerned about the reasons for this meeting and have not been given any details. However Sue Bucher has stated verbally and in writing to me that it is not about factory closures.

I have called a full Consortium meeting on the afternoon of the 18th January 2011. The trade unions will make an announcement on the 19th January 2011.

The Company has not offered a single penny on pay and conditions despite constant reminders being made to them and the DWP. The trade unions are being ignored by the Company.

Remploy Company Directors have pocketed up to £10,000 in bonus payments and 288 senior management members pocketed an average of £4,500 in bonus payments just in time for Christmas.

Action needs to take place!
